Dear Mr. Lawler:

Enclosed is a copy of the Catalogue of An Exhibition of Photographs from The Metro's 2nd Annual Photo Contest. This photography show, which opened on February 20 and which will close on March 20, is on display in Room 301 Carbondale City Hall. As you perhaps know, Room 301 Carbondale City Hall was recently restored by the Carbondale Historical Society, and will serve as an exhibition gallery for a wide range of displays and exhibitions sponsored by the Historical Society.

I am writing this letter to you to find out if it will be possible to schedule visits to this exhibition by several classes or groups from the high school. As President of the Historical Society, I will be in the gallery (1) to welcome the students, and (2) to introduce an art historian (my brother, Donald, who is on the faculty at Widener University), who will deliver a brief illustrated lecture on the history of photography to each group that visits the gallery. Donald will illustrate his lecture not only with some of the historic photographs in his personal collection but also by using the photographs on display in 301 Carbondale City Hall.
